# How to use playdough playmats

These playmats can be used in many different ways. These are just a few!

- Important: Cover the playmats with clear contact paper, laminate, or put into a page protector to use again and again.**
- Decorate using pieces playdough. Be creative!
- Color with crayons or markers and cut out.
- Use stickers, torn construction paper, small squares cut from construction paper to create a mosaic design, etc.
- .-Paint with watercolors or other waterbased paint.
- Decorate with art materials like, sequins, glitter, small swatches cut from cloth, or small pieces cut from magazines.
- Cut out the center of the playmat and use the outside as a frame.
- Laminate and use as a writing board with wipe off markers to practice handwriting skills.
